Nekyou Memoir's Translation of Sword Art Online: Progressive on Hiatus.

Hiatus plagues even the best of series. We know our fans are eager to see Sword Art Online, but to keep all the projects we love, we need your support. Due to the retirement of many of our translators, we're currently in a state of being severely understaffed.

In our group, we always delegate a dedicated translator to a single series, rarely two. If you or someone else you know is a translator who's interested in continuing this or another project of ours, please send an email to join@nekyou.net, and we'll try our best to get to you.

Join today, learn the ins and outs of scanlation with us, and keep your favorite project afloat.
